## A Memorial Day Every Sunday

Originally known as Decoration Day, Memorial Day as we know it originated in the years following the Civil War. The Civil War claimed the lives of more Americans than any conflict in U.S. History and required our country to establish its first national cemeteries. By the late 1860s Americans began to hold springtime tributes to these fallen soldiers "decorating" their graves with flowers.

By 1890, many states had made Decoration Day an official state holiday. After World War I, the holiday evolved to include all American military personnel who had fallen in all wars. This continued throughout the 20<sup>th</sup> Century to include World War II, Vietnam, and the Korean War. In 1968, Congress passed the Uniform Monday Holiday Act to make Memorial Day the last Monday in May in 1971.

While we celebrate and remember our fallen heroes on this last Monday in May every year, as Christians we celebrate and remember our most famous "hero" our Savior, Jesus Christ every Sunday. Some might say that taking communion to remember our Savior would be more special if we observed it less frequently, like once a year. However, the pattern in scripture shows the early Christians "breaking bread" often. In Acts 20:7, Paul "breaks bread" with the disciples in Troas. Later, in I Corinthians 11, Paul was concerned about the Corinthians practice of "breaking bread" and urged them to do it together with one another and wait for all to participate.

This memorial of our Savior's sacrifice is an important part of our gathering and worship on each and every Lord's Day. It is up to us to make it special each Sunday and not allow it to become routine. Christ has saved us from our sins for all eternity for those that have heard, believed, confessed, repented, and been baptized to become a part of His body. This weekend, as we remember those that have fallen while sacrificing it all to give us the freedom to assemble and worship in this country, let us not forget the "One" that saved us FOREVER with His sacrifice to save us from sin. **Scott Cowan**
