Trip to New Pathways

A trip to visit the children at New Pathways is being planned for Thursday, September 14! We would be with them from about 3:30 until their supper at 5:15. This first trip could be exploratory to decide what they need us to do. Some ideas are reading stories, helping with homework, arts and crafts, playing games, etc.—things we would do with our own children and grandchildren. We have a list of children and their ages so will plan some activities for September 14. We are also thinking of our group stopping for a meal together. If this sounds like something you would like to do, please contact Barbara Harry or the church office. If you are interested, we need to know as soon as possible to complete plans!

Ten new brothers and sisters in Christ recently baptized by Allan Lopez in Panama.

In Faith Takes a Name, Dwight E. Stevenson writes that if we consider ourselves to be disciples of Jesus, then we must remain "learners under the instruction of Christ." He notes, "Quite literally, a disciple is a pupil, scholar, student or learner. In [Jesus'] world a teacher with his band of disciples was to that culture what schools and universities are to our society. To be a disciple of Jesus is to go to school with him."
