## MISSION REPORT

from Ricardo

My pray in the Lord is that everyone is enjoying the blessings of the Lord both physically and spiritually.

Thank God, we are doing well. Regarding my health, every 3 months I have a medical checkup for diabetes and hypertension. Thank God the diabetes and hypertension are controlled. I still have to be careful with my eating and exercise habits, but everything is under control.

We are very thankful to God that we've got Canadian Visa, so we were able to visit Josue and his family (our older son). It was such a great blessing. It's been more than 2 years since we last met. So it was very emotional for both of us to visit Josue and his family.

The Church here at Liberia is doing well and in great spirits.

Brothers, I want you to know that I love and respect you very much, you are always in my prayers.

I also ask you to pray for us. Please share a big hug to the entire Southside congregation.

My wish is to be able to visit you and share with you. Most importantly, I want you to come visit us here and encourage the entire church family.

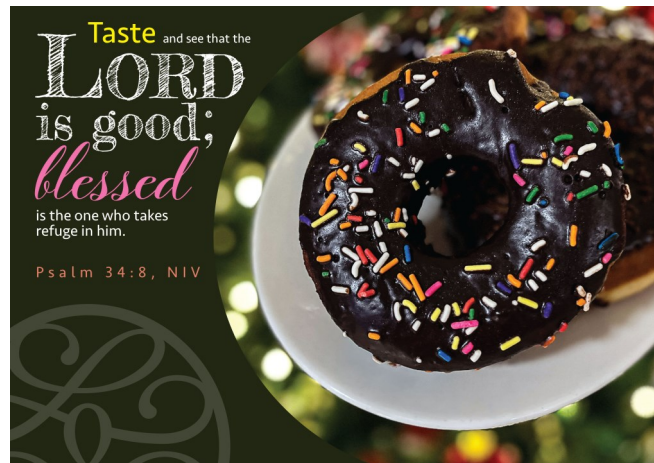

I pray to the Lord that we can see each other next year.
