### Welcome!

If you are visiting with us today please feel free to participate. We will sing and pray to the Lord and express our adoration and thanksgiving for all the blessings He freely gives. We will have an offering this morning and we do not want our visitors to feel obligated in any way. There is a nursery located through the double doors located to the left of the pulpit. A children's worship is provided for children ages 2 through 5 on the second floor which will be announced during our service. **Please turn your cell phone ringers off during our service.**

### So It Seems

Well, fellow Christians, here we are at another year's end. And so we turn another page in history. The world is in turmoil; divided into fractions. So many older people are wondering what has happened to the world they knew and grew up in. Today, according to the world, there are many different genders. People want free choice as to the restrooms they use. Individuals identify as animals and cover their body in ink and piercings. Everyone now has a voice on the internet and yet people have lost the ability to communicate face to face or through the written word without anger. And so the list goes on so it seems.

The good news is that man nor the world has changed all that much. Take a step back and examine the world we live in from a historical standpoint. Sin or disobedience has been around since Adam and Eve were in the Garden where everything was perfect. Eve partook of the forbidden fruit and Adam followed suit. So when found out, Adam stepped right up and said (allow me a little sarcasm here) "Lord, let me tell you about that woman you gave me." Later, all mankind spoke the same language and it would appear that wanting to be all powerful they tried to build a tower (it became known as Babel) that would reach into the heavens; however, God confused their language and they were spread into all parts of the earth. Looking throughout history, any vice or sin that man can come up with today, has already been done just with different methods. As Solomon said in Ecclesiastes 1:9 "... there is nothing new under the sun."

I challenge you as Christians to study your Bible and confirm every problem of today has been a problem in the past. The great news is that God has always had a plan through His Son, Jesus Christ, for the salvation of man through obedience and grace. Never forget God has always and will always be in control of every problem that man faces. All problems have a life span. With the start of a new year, make it a great year, putting Jesus first in all aspects of your life. We have the promise of Jesus being our sure foundation!

In Christian love,  
 Pete Harry

Thank you for the lovely flowers and prayers during our family's time of grief. Our family appreciates all the prayers and kind words.

*Jimmy Stamps and Scarlett Allen's Family*

Thank you leaders and congregation for the support you have given me as a missionary leader this year. I am extremely grateful for the generosity of my church family. It has been almost 4 months and Lydia and I have been putting all our effort into our work here. We host events every week where we connect with non-Christian girls our age, host weekly discussion groups and Bible studies, and we teach 2 discipleship classes currently for 12 Christian women here. We also put effort into inviting people (both Christian and non-Christians) into our home for meals, studies, and fellowship, etc. We have the means to do this because you have so kindly given. Southside provides my entire half of the rent, and I cannot express how much of a blessing that is to me. You also support me in other ways like sending cards, checking in with me, and most importantly with your prayers. We are both so grateful. You are all such an encouragement and blessing to me!

*Kayley Wadlington*
