## Welcome!

If you are visiting with us today please feel free to participate. We will sing and pray to the Lord and express our adoration and thanksgiving for all the blessings He freely gives. We will have an offering this morning and we do not want our visitors to feel obligated in any way. There is a nursery located through the double doors located to the left of the pulpit. A children's worship is provided for children ages 2 through 5 on the second floor which will be announced during our service. **Please turn your cell phone ringers off during our service.**

Hello church family! I wanted to start this letter with that greeting in particular because of how you all have adopted me and my family. Marlana and I were born and raised in northern Mississippi but have lived in Hopkinsville for ten years raising our three children. I've been serving as a Southside deacon since 2019 and currently my main responsibility is overseeing the children's ministries that Southside offers along with obtaining teachers for all our children's classes from six-months-old up to the 6th grade. We have anywhere from 40-50 kids in all those classes combined.

A few years ago, Donna Pickerill introduced the elders and I to the idea of Kingdom Kids. Instead of having a teacher commit to one age group for an entire 13 weeks, we now offer a 2-week rotation in which you get to see most of our younger kids! Kingdom Kids lets us flip that old 13-week quarter model into a new experience for both our teachers and our kids. Basically, you are asked to teach a 2-week rotation (Sunday morning and Wednesday night 2 times) and you teach the same lesson to 4 different groups of kids that rotate to you (4&5-year-olds, 1st & 2nd grade, 3rd & 4th grade and 5th & 6th grade). There is nothing you must prepare for. All the lessons are complete, and Donna has all our rooms and activities ready to go! You just have to show up and the kids come to you, guided by the TV monitor in the hallway. There are 4 rooms for you to choose from. We have the Holy Word Theater (kids perform skits or watch movies), the Daily Prophet (kids play Kahoot's on iPads), Creation Station (kids make crafts) and Noah's Arkade (kids play games). My favorite to teach is the Daily Prophet. The kids are super competitive. They love to play Kahoot's and see who can score the most points!

Marlana organizes the extracurricular program of the Junior Department which was created by Carol King and Marsha Parker to help mold our 3rd-6th graders into servants. They are responsible for the various activities you all see throughout the year from the lady's day out, to soup for seniors and cupcakes for servants. During the holidays, the Junior Department buys and delivers a Thanksgiving meal to a family in need. They also buy gifts and wrap them for a family in need for Christmas. There are several other activities that they do that are more of a fun activity for them or an uplifting event like Christmas caroling. If you would like to help with any Junior Department activities, please reach out to Marlana.

I encourage all of you to sign up to teach the wonderful children we have here at Southside! Their shining faces and bubbling personalities are so awesome! I promise it will bring you great joy to teach and influence the future of the church! Please pray for the children's ministries and all the teachers who volunteer their time into teaching our youth. We are so grateful to the many volunteers and all our past, current and future teachers. We cannot teach all these wonderful kids without you. In this ministry, I have personally witnessed much growth in our youth. It is amazing to see God's influence in all our children's hearts and we hope that you can be a witness to this as well. If you would like to sign up to teach, please scan the QR code that is on the backside of the bulletin and see what dates would work for you and then let me know. Together, we can all help raise the next generation of Christians!
