Hello church family,  
 I wanted to take this time to introduce myself to you all. Many of you I have met and spoke with often over the past five years. I am a lifelong Kentuckian, raised in Hodgenville, known as the birthplace of our 16th president Abraham Lincoln. My adult life has taken me to three states to call home over the years. My wonderful wife Tiffany and I will celebrate our "Silver Anniversary" next month. We have two beautiful daughters, Hallie age 18 and Bonnie age 10. Hallie will be starting her sophomore year at Western Kentucky University soon, and while we miss having her at home full-time, we are so proud of her motivation and dedication to the Lord and to becoming a nurse so she can serve others.

Bonnie will be starting middle school soon and enjoys helping us with our church related projects. She is also an active Leaderette participant and has competed in the song leading at the convention for the last 3 years. We made Hopkinsville home five years ago and feel blessed to have found a church home here at Southside.

I was honored to become a deacon three years ago. Since then, I along with Tyler Stallons launched and currently coordinate the Lads to Leaders/Leaderettes program. This program focuses on training our youth to become leaders in the future church and also increases the likelihood our youth will remain active in the church throughout their adult lives. This program has grown every year that we have been involved and I feel that it is a great testament to the motivation of the children and parents of our congregation. I wholeheartedly believe in this program with our youth as they are the future of the Lord's Church. *—"Train up a child in the way he should go and when he is old he will not depart from it."—Proverbs 22:6*

For the past three years Tiffany and I have coordinated the Backpacks for Africa campaign to support Brother Dorian Flynn in his mission work in South Africa. This program has provided over 200 backpacks for children who have very limited to no resources to get a valuable Christian education. Each year this program is a pleasure to support and the overwhelming support we receive amazes us. The efforts for this year will be soon. *—"And do not forget to do good and to share with others, for with such sacrifices God is pleased."—Hebrews 13:16*

Most recently, another area of need had been brought to our attention was that 3rd Brigade at Fort Campbell were in need of resources for their single soldiers returning home from deployment overseas. To address this need we worked with the elders to assemble several "Welcome Home" baskets and donated over 100 sheet sets. We are looking forward to seeking further opportunities to support our military. *—"Let us not become weary in doing good, for at a proper time we will reap a harvest if we do not give up."—Galatians 6:9*

To close, if we can be of assistance to anyone you can always contact Tiffany or myself. May God bless each of you.

In Christian Love,  
 Jay Zieg (270) 282-1716

# Member DIRECTORY

It's time to update our online directory. Sign up sheets are available on the bulletin board in the Welcome Center for members to select a time for their new photograph to be taken for our directory. Bobbie Aldridge will be taking the portraits.

We will also have forms available for any updates to your listing. Our Elders prefer all of our photos have the same backdrop and poses and appreciate your cooperation with this project. We will no longer be using submitted photos in our directory. Once our photography is completed the new photographs will be placed in our directory app. If you cannot be available for one of the time slots we will add more as needed.

You will be able to purchase photos at your appointment but there is no obligation or fees.

Tips for a good portrait:

- Wear casual or formal clothing that you feel good in. Solid colors work best and it is best to avoid busy patterns as they can distract from your face.
- Darker clothing is more slenderizing. Sleeves work best as sleeveless tops tend to make your arms look fuller.
- Avoid glossy lipstick as it creates a shine in photos.
- If you wear glasses all the time you'll want to have them in your portraits.

Southside will play Living Hope Baptist on July 22nd at 6:30 PM on Field 5

## Thank You!

A big thanks for all the prayers, cards, flowers, calls and of course the food while I was under the knife. I love you all so much and appreciate all you do for me and the girls. Praise and glory to the Lord. **Gerri Clough**
