Good morning, Southside,

As you have probably seen by now, this year each of the Deacons have been explaining a bit about themselves, and the area in which we serve. My story will differ somewhat from several of the other men that I currently have the opportunity to work with. Many were born into the church and have been a part ever since. Though I do have some family ties back to this congregation, I spent most of my life "on the other side of the tracks." I did not grow up in a household that attended any congregation regularly however both of my parents considered themselves as Christian and I was taught those same values. Most of my exposure to churches was through attending with friends and family until as a teenager I began to attend on a regular basis. Some of those years after I found myself in trouble after hanging out with the wrong crowd. After I started working, I separated myself from those people but allowed work to become my priority. It wasn't until early in 2008 when I started dating my now wife Amy who had been a member here for many years. Early on she told me point blank "we will attend church somewhere together." Since Southside was her home, it only made sense to make that our first option. From day one several things stuck out to me.

First, there were multiple people that made a point of introducing themselves to me, making me feel welcome and every time thereafter I stepped foot in the doors, they came to say hello. Secondly, I noticed several families with children, and all exemplified what a Christian family should look like. Knowing that I wanted a family of my own, this was very impactful. I have been employed at Martinrea Hopkinsville for 20 years holding various roles, currently as the Continuous Improvement Manager. My wife and I have three children, Libby (10), Ally (8), and Mary Jo (4).

Serving as a Deacon has been a pleasure, honor, and humbling experience since I began in 2022. I currently support facilities maintenance, VBS, and youth group activities. My family and I have also spent nearly a decade supporting the youth summer camp as part of the set-up/teardown, games/building, nursing, counselor or any other need to be fulfilled. We are always in need of volunteers for either VBS, and/or Youth Camp. Some of the tasks could be small, while others will be physically taxing, however are so rewarding when you see these young people growing in Christ.

It is encouraging to see the amount of focus the Elders and Deacons are spending on the youth. Each of our meetings centers heavily on what we can do for and/or with them. I have learned so much from this group of men, Bryan, Tim and Jackson. I am certainly a better Christian because of the influence each has had in my personal growth with the Lord. Southside is a special place, and I thank them all, including each of you for having faith in me and my family.

If there is ever something that we can help you with, please don't hesitate to ask.

God Bless, Ricky Wells (270-305-2466)
