Welcome!

If you are visiting with us today please feel free to participate. We will sing and pray to the Lord and express our adoration and thanksgiving for all the blessings He freely gives. We will have an offering this morning and we do not want our visitors to feel obligated in any way. There is a nursery located through the double doors located to the left of the pulpit. A children's worship is provided for children ages 2 through Kindergarten on the second floor which will be announced during our service. **Please turn your cell phone ringers off during our service.**

I'm grateful
FOR YOU!

Being in the hospital for most of the months of February and March 2025, I can only describe them as being pretty much a blur. Looking back over those 2 months has taught me a few things.

Life is fragile and you sometimes need help keeping the balance. I now have a greater respect for Mr. Miyagi's line in the movie The Karate Kid. "Better learn balance. Balance is key. Balance good, karate good. Everything good."

1. There truly is power in prayer. I'm a walking example that prayer works.
2. Family is precious and a true blessing.
3. A church family is also a blessing. I don't know how people survive without one.
4. It is hard to ask for help when you can't do it yourself.
5. Nurses are the closest thing to angels on earth. They are a true blessing.
6. I did not know the following till I was home from the hospital. One of the doctors sat down by Tammy while I was intubated and said "I'm not real sure what the outcome will be. My family prays every night and can we add your family to our prayers?"

Words cannot fully express my thanks for all of the calls, visits, texts, & prayers that were so much a part of my healing. I continue to get stronger each day and I am thankful for being able to express my thanks to my family and church family.
