A BIG Thanks!

Dear Southside church family, I want to thank you all for being so loving and welcoming over the past two years. I have gained so much from your Godly examples, your Christian support and advice, the pats on the back and especially your prayers for God's will in my life as I move into the Harding University dorm. I appreciate very much the help I have received through the David Lee King scholarship, and I can't wait to come back and see you all on the breaks!

REPORT FROM PANAMA

Beloved and appreciated brothers and sisters in Christ, health and success in Christ Jesus always. Thank you for your prayers and financial support. Without them, it would be very difficult to preach the Gospel of Christ in these hard-to-reach regions. May God multiply your health and financial support. Greetings to all the Christians in each congregation. Brothers and sisters, all the congregations we serve are growing even more potentially in the Lord Jesus Christ. Around here, it rains torrentially every day, especially in the jungle, which sometimes makes it difficult for us to reach them. The rivers become very fast-flowing, dangerous rivers. Many people cannot reach them, nor can they leave their homes. We are building a building in the town of Wala, where there are more than 100 members and 150 children. We have stopped construction because of the rain, insects, and many vermin. Furthermore, the dirt road is impassable. The congregations of Puerto Limón, Pintupo, and Ipeti remain steadfast. We have been asked by many communities to bring them the gospel of Christ. Due to bad weather, we have been unable to reach them. We hope to visit them in the summer (January-April), God willing. The harvest is plentiful, brothers, and few determined workers. Brothers and sisters, we always remember you, when you visited us and we worked in evangelism, and we cried. May the Lord protect you and bless you always. Thank you for the donations you send us to be used in the expansion of Christ's evangelization. Amen. Allan Lopez

Our next Fifth Sunday special contribution will be on August 31st. All contributions above our weekly budget amount will go towards capital improvements, including restroom renovations in the Education Building, and towards the purchase of a new bus. We will also enjoy a catered meal following our worship service.
