SOUTHSIDE

CHURCH of CHRIST

A Wonderful Month

The month of September is, for us, a special time of year as college football gets going, our children are settling into the routine of school again, we celebrate the value of all workers' contributions over the Labor Day holiday, and it marks the start of autumn for those of us in the Northern Hemisphere or the start of spring for those in the Southern Hemisphere. It is a month of harvesting and produces newness of color. The name itself comes from the Latin *septem* which means seven, because it was originally the 7th month in the Roman calendar. Since then, extra days and months have been added to produce the standard calendar we now go by. It is interesting that man can remeasure the amount of days within a year and can even reassign the titles of months in order to better reflect history and track the time God has provided, but there are other things man simply cannot change no matter how hard we may try.

As we turn our calendars to another month and we see new things like a Ladies' Day Luncheon and youth ministry interviews, let us remember the words of Jesus from John 8:58 where He said, “Truly, truly, I say to you, before Abraham was, I am.” Therefore let us take comfort in knowing that God is not confined by our sense of time. In Christianity we find the uniform and timeless Truth which spans the centuries in constant connection with reality and a definable consistency regarding the ever-unchanging human need for the forgiveness of sin. One thing that will never change is that all human beings fall short of the glory of God (Romans 3:23). And along those same lines, God always desires for people to be saved and to come the knowledge of what is True and lasting (1 Timothy 2:3-4). Seasons of your life will change, your family will change, Hopkinsville will change, the land around us may change, politics will surely change, your congregation will also change, eventually all of your circumstances will change, even your friendships undergo change...but take courage in the constancy of God, for He does not change (Malachi 3:6). And make sure to remain devoted to His only begotten Son, who also does not change but is the same yesterday, today and forevermore (Hebrews 13:8). May the changing of our seasons remind us of the permanence of Jesus Christ and the counsel of the Lord, which stands firm forever (Psalm 33:11). Amen.

~ Tim

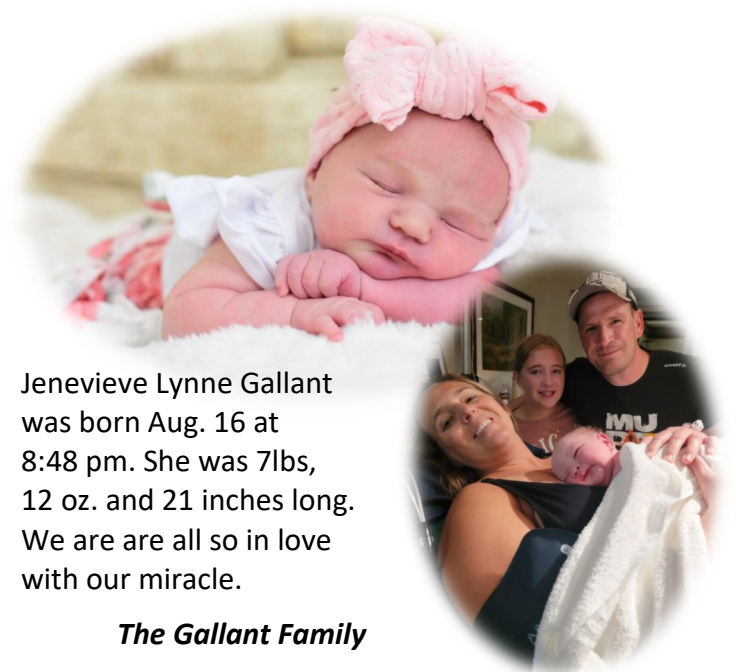

Plan it and they will come! They did from six different community churches of Christ : Little River, Hopkinsville, Eagle Way, Bumpus Mills, Campbell Street and Joiner's Chapel. Ladies Day was a big success.

Thanks to many of the ladies of Southside. We are most appreciative to everyone who spent their day with us as our guests. Without you there would be no such event. Special appreciation to Melissa Neal and Melyssa Wadlington who served as co-chairmen for this event. Working alongside these two ladies were: Teresa Farmer, Cassie Dougherty, Lindsey Howell, Tracia Gray, Donna Pickerill, Emily Vierra, Leigh Ann Vierra, Sandra Livingston, Heather Luttrull, Mary Lynn Brame and Cathy Dougherty. Those who participated in the program were Tammy Staley, Dana Staley, Carol Myers, Teri Brooks, Dana Gary, Marsha Parker, Marsha Garnett, Judy Crunk, and Barbara Harry. A very special thanks to a few of our younger ladies who were brave enough to get up in front of church to read scripture—Ansley Cook and Kali Kingston and Bonnie Zieg who led a song. Longtime member of Southside Cecilia Hostilo came from Murray to be our song leader. A few good gentlemen—Tommy Brooks, Mike Dougherty and Tim Neal—chauffeured ladies in golf carts. It definitely takes a village to put on such an event. I guess you could say it was our ladies' mission for the summer to plan this Ladies Day.

But, none of this would have been possible without the support of the Elders. We greatly appreciate them for allowing us the opportunity to host a community wide Church of Christ Ladies Day event.

With a most indebted heart for each of the ones listed above, Debbie Anderson

Jenevieve Lynne Gallant was born Aug. 16 at 8:48 pm. She was 7lbs, 12 oz. and 21 inches long. We are all so in love with our miracle.

The Gallant Family

Beloved brothers and sisters, greetings in the Lord. This month we had a small evangelistic campaign in the town of Ipety. My wife and I were the presenters. We preached from house to house and held open worship services, with a good attendance of around 130. This campaign was carried out with the help of a sister from the United States; she gave us \$500.00. In addition, everyone present was fed (photos attached). A total of 15 were baptized. The rain is affecting us greatly; however, we are attending every weekend. We hope to continue with the work. Greetings to the Church. Thank you for your prayers and financial support. God bless us. **Allan Lopez**
