# SOUTHSIDE

CHURCH of CHRIST

## Pancakes with Santa

Republic of Panama, Panama. Beloved and dear brothers and sisters in Christ Jesus, receive our greetings in the Lord our Savior of all who believe in Him. Beloved, all the congregations I attend are enjoying spiritual health. The rains have been a great help to us and, at the same time, have caused great damage in our country. The brothers and sisters in the jungles suffer the most because of the rivers and roads; everything is difficult to access. However, the word of the Lord flows through all the communities, just as the rivers flow. We are in the process of finishing a house of worship for the brothers and sisters in Wala. The government is repairing the 300km road south of Panama City, which is in terrible condition. All the other congregations are currently inaccessible. Summer will arrive in January, God willing! We will have about four months of summer, months that we are making the most of. Teaching the new converts is underway. Brothers and sisters, my wife is getting worse every day with Alzheimer's. She is 71 years old; the doctors say it's natural at that age. I have to spend more time with her and take her everywhere I go. Right now, we're three hours from home, helping a congregation with their apartment; we're going to redo it. Brothers and sisters, thank you for your prayers and financial support; without it, it would be very difficult to share the gospel of Christ with these people. May God always bless you. Merry Christmas and a Happy New Year to every member. The Lord is closer today than yesterday; let us remain prepared by maintaining good spiritual health.

## LADS2 LEADERS

Workshop will be today, December 21st, from 11:45—12:45 in the Education Bldg. basement.

Also, the 7th grade L2L girls are participating in the scrapbook competition this next year. If anyone would like to donate scrapbook supplies they have at home or their time to help the girls, let Tiffany Zieg know.

Albert Passenau's mother, Shirley Munoz, passed away last Sunday. The funeral was in Oklahoma. Please keep the family in your prayers.

*thank you*

I would like to extend my heartfelt thanks and sincere appreciation to all of my Southside family. This past year has been very hard and trying. Thank you to Fred & Carol Myers for being true friends and examples of Christ's love in action. Also thanks to all the Elders and men for getting and assembling the wheelchair ramp. Lastly, I thank God for putting each and every one of you in my life. Every call, card and visit has been enjoyed and appreciated.

Much love and blessings, Debbie Scott

Barbara Harry's brother, Kevin Batey, has not been doing well after his heart surgery and had additional surgery. Debbie Scott has been in a lot of pain.
