"Celebrating Growth and New Opportunities"

Promotion Sunday is an exciting and meaningful occasion in the life of our church family; it marks a special time when our children move to the next stage of their spiritual education and class involvement. This day celebrates their growth, learning, and the continued journey of faith that God has planned for each of them. It is also a day on which we wish to say 'thank you' to all of our involved members, classroom helpers, and organizers!

Throughout the year our teachers, ministry leaders, and volunteers have faithfully invested their time and energy into helping these kiddos grow in their knowledge of God's Word. Promotion Day provides an opportunity to recognize those efforts and to encourage these students as they take the next step in their spiritual development. As children advance to new Sunday School classes and into the youth ministry realm, they are introduced to fresh learning experiences, new friendships, and greater opportunities to serve. This transition reminds us that spiritual growth is a lifelong process, and just as our students make progress in Sunday School & Wednesday Night Classes, believers are called to continually grow in faith, wisdom, and service to God. Promotion Day is also a time for families and our church congregation to pray together as He strengthens our commitment to nurturing the next generation and supporting one another as members of the body of Christ.

"Bring up a child by teaching him the way he should go..." Proverbs 22:6a (NLV) Through faithfulness, encouragement, and active involvement, we can help each student flourish in their walk with the Lord as we eagerly serve them and help them go forward to the blessings that lie ahead.

Beloved brothers and sisters in Christ, greetings in the Lord, our Savior Jesus Christ. Brothers and sisters, our work has been tireless, but at last we have achieved the final result. The congregation of Wala now has its own building, where they can gather to worship Almighty God, Jesus Christ. We have already held a full service. The people of Wala meet twice a day, adults and children alike. There are many other communities with many Christians who also wish to have a building to meet in; we are making progress little by little. The Wala building was built with only \$10,000. A meeting place for Kuna Christians from the jungle. All of this has been achieved thanks to your kind hearts and your desire to invest in the Lord's vineyard. Brothers and sisters, let us continue to collaborate, even if it is just a small contribution, putting our faith into action, strengthening our faith. Thank you. Our gratitude for so much love for Christ. Greetings.

Allan Lopez

We would first like to express our heartfelt gratitude for the incredible love, support, and generosity shown by the Southside congregation. Every prayer, every word of encouragement, and every financial contribution has meant so much to our congregation here in Liberia.

We truly feel blessed to have you not only as brothers and sisters in Christ, but also as dear friends who have walked alongside us in this dream and vision for the church.

The purpose of the following report is to share with you the progress that has been made toward the goal of building a permanent home for the Church of Christ in Liberia. We also want to provide a clearer picture of the plans ahead, the current needs, and the challenges that still remain before us.

Although there is still a long road ahead, we trust that with God's guidance, and with the continued prayers and support of faithful brethren like you, this dream will become a reality in His perfect time.

May God continue blessing each one of you, your families, and the entire congregation at Southside.

With gratitude and Christian love,

Ricardo and Marietta Alvarado
