SEPTEMBER 6, 2026

SOUTHSIDE CHURCH of CHRIST

In my office there is an old physical copy of the 3-ring Southside Membership Directory from a long time ago. These pictures are fun to see; each page has a neat little summary of the individual (or family) and includes a snippet description of where they work – it even has a brief list of those to whom the individual (or family) is related. You won't find Grayson Dixon pictured with his family because he hadn't been born yet; and in her picture, Livi Ray is still missing her front baby teeth. The hair-styles and clothes have changed a bit but most folks are recognizable, and I'm sorry, but I don't think these binders are still available, mine just happened to come with the office. I mention it only because I have been so appreciative of this helpful resource and I do wonder how many of you still have one of these thick member books somewhere in your house, and if you still thumb through the pages remembering those who have moved away or those who have since been called home by our Lord. We no longer print those books because a few years ago our directory went online & into our phones, and there are some really neat advantages to having this Southside Instant Church Directory and knowing how to use it.

As you know, Southside continues to receive new members each year and as these families or individuals navigate our way, it is important that they become connected with fellow members. Our Instant Church Directory is a great resource that every member can utilize for this exact purpose! It makes it easy to put names with faces and helps us get to know one another better. You can use the directory to find address and contact information for fellow members, connect with groups, and stay in touch throughout the week. It is also a helpful resource when you want to reach out to someone with a word of encouragement, a prayer, or simply a friendly hello... you can send a message with just one click!

Whether you are a new member to our church or have been members here for many years, we encourage you to take a moment to check out Southside's Instant Online Church Directory and make sure your information is current. Hopefully soon Seth Riley and his family's information will be in there, and others will be added also, so keep checking in, following up and reaching out. Please email the office at southsidecoc@hesenergy.net to ensure that you have access to the directory, or if you have any questions about the system. May God bless each of us as we grow in our connection.
