SOUTHSIDE
CHURCH of CHRIST

The Tuesday morning Ladies' Class sent funds to Costa Rica.

Warm greetings from both of us and the entire congregation in Liberia. We hope you and your families are doing well.
We would like to thank you again for the generous gift of $2,500 you sent for our young people and teenagers, and share how these funds were used.

We had not sent this report sooner because the bookstore here in Liberia did not have enough Bibles in stock and needed some time to obtain all the copies we needed. Also, the window installation was only completed last Friday. For these reasons, we waited until the purchases and this work were completed before sharing the information and photographs with you.

Thanks to your gift, together with an additional contribution from the local congregation, we were able to purchase the following:

- 19 Bibles in total, including two study Bibles to give to the two young men who lead the youth group, to support their preparation and encourage them in their service.
- 13 chairs for the young people's classroom.
- 4 chairs for the teenagers' classroom.
- 23 hymnals.
- 2 air conditioning units.
- Materials and installation for three classroom windows.

The classroom windows had some broken panes, and their design had to be completely changed to accommodate the installation of the air conditioning units and allow them to function properly. Both air conditioning units are already at our building, ready to be installed.

The entire congregation is very grateful to you. Your generosity has been a great blessing, allowing us to improve the spaces where our young people and teenagers study God's Word and provide them with resources for their spiritual growth.

We have attached photographs of the purchases and the improvements so you can see what your help has made possible. Thank you for your love and for keeping our young people and teenagers in your hearts. We thank God for you and for your willingness to support this work. May the Lord bless you abundantly.

With love and gratitude in Christ,
Ricardo and Marietta Alvarado

Dear Southside Family,
On behalf of mom, I want to extend a huge and heartfelt THANK YOU to everyone who has lifted her up in prayer throughout her recovery-both privately and publicly. We truly believe prayer is one of the greatest gifts we can give someone, and we are so grateful for every prayer spoken on her behalf.

The beautiful flowers sent during her time in rehab brightened her days and served as a sweet reminder of home and the many people who love and care about her.

To everyone who has been part of the Meal Train, thank you! She has genuinely enjoyed every meal and, just as importantly, every visit. Those visits have been such a meaningful part of her recovery-providing encouragement and even a little therapy along the way as she works to regain her words and strengthen her memory. While you may not always understand exactly what she is trying to say, please know that she knows what she wants to say, and she certainly understands you. Your patience, conversations, and presence mean more than you realize.

We will be forever grateful for the outpouring of love and care that has been extended to not only to Mom, but to our entire family.

Thank you for being the hands and feet of Jesus during this season of her life. With love,

The Family of Angelea Doss
